SUBJECT: Scholarship Program

The Stanadyne Foundation Scholarship Program for 1984 will again be administered by the Citizens' Scholarship Foundation of America, headquartered in Manchester, New Hampshire.

Due to significant tuition increases at most colleges over the past few years, we are raising the amount of the scholarships from \$2,000 to \$2,500.

A dependent child of any current full-time employee is eligible to participate if the employee has worked for Stanadyne, Inc. for at least one continuous year. (One year refers to the application deadline of May 15.) A dependent child is defined as an unmarried, natural, legally adopted, or stepchild, under the age of 22, living in the employee's household or primarily supported by the employee.

Applicants to the Stanadyne Scholarship Program must also be in their final year of high school or be planning to enroll for the first time in a post-secondary program of studies.

Applications will be available in the Pay Office on December 1, 1983.
